

Grid Resource Allocation Agreement Protocol

GRAAP-WG working session
Monday, 25 October, 2010
Brussels, Belgium

OGF IPR Policies Apply

- "I acknowledge that participation in this meeting is subject to the OGF Intellectual Property Policy."
- **Intellectual Property Notices Note Well:** All statements related to the activities of the OGF and addressed to the OGF are subject to all provisions of Appendix B of GFD-C.1, which grants to the OGF and its participants certain licenses and rights in such statements. Such statements include verbal statements in OGF meetings, as well as written and electronic communications made at any time or place, which are addressed to:
 - the OGF plenary session,
 - any OGF working group or portion thereof,
 - the OGF Board of Directors, the GFSG, or any member thereof on behalf of the OGF,
 - the ADCOM, or any member thereof on behalf of the ADCOM,
 - any OGF mailing list, including any group list, or any other list functioning under OGF auspices,
 - the OGF Editor or the document authoring and review process
- Statements made outside of a OGF meeting, mailing list or other function, that are clearly not intended to be input to an OGF activity, group or function, are not subject to these provisions.
- Excerpt from Appendix B of GFD-C.1: "Where the OGF knows of rights, or claimed rights, the OGF secretariat shall attempt to obtain from the claimant of such rights, a written assurance that upon approval by the GFSG of the relevant OGF document(s), any party will be able to obtain the right to implement, use and distribute the technology or works when implementing, using or distributing technology based upon the specific specification(s) under openly specified, reasonable, non-discriminatory terms. The working group or research group proposing the use of the technology with respect to which the proprietary rights are claimed may assist the OGF secretariat in this effort. The results of this procedure shall not affect advancement of document, except that the GFSG may defer approval where a delay may facilitate the obtaining of such assurances. The results will, however, be recorded by the OGF Secretariat, and made available. The GFSG may also direct that a summary of the results be included in any GFD published containing the specification."
- OGF Intellectual Property Policies are adapted from the IETF Intellectual Property Policies that support the Internet Standards Process.

Agenda

- Welcome
- Update since OGF29
- State of the WG
- State of Advance Reservation micro spec
- Work on Negotiation spec
 - Open issues from the last call
 - Discussion on negotiation goals

Update since last OGF (1)

- WS-Agreement 1.0 is now a full OGF recommendation
- Revised version of GFD.107 fixing all reported typos/formatting issues in the non-normative part sent to the editor
 - No changes in the normative part
- Will replace GFD.107
 - Need to indicate that it is an errata update on the first page and more detailed in the status section

Update since last OGF (2)

- Received comments on negotiation spec during the last call
 - Most of them related to typos (fixed)
 - Several asking for clarification
 - Some of them point to inconsistencies between normative schema and the non-normative description
- Will use sessions at OGF30 to address the remaining issues
- Received new proposal to include negotiation goals, to be discussed here
- Continued Implementation of WS-Agreement Negotiation
